Application

Dear Miami Bakehouse selection officer, I am writing to express my interest in taking on the role of Bakers assistant/Kitchen Hand at your store. I enjoy cooking and working in a kitchen, and would like to enhance the skills I have learnt from my course in Hospitality. I have the ability to work as part of a team and see it also as an opportunity to develop social skills within a workplace.

I believe I have the necessary strength, energy and fitness required of me due to my regular exercise, and I am seeking an active and engaging work atmosphere. And although I have no work or bakery experience, I am looking forward to the opportunity to receive training.

The required shift-times work well for me, and I would also be able to work on weekends and holidays if needed. I have some experience with baking things such as Sausage rolls and pies, and believe that working on a team could enhance my abilities efficiently.

I believe that I have a positive attitude towards tasks required to me and towards work in general, and I work best when following written instructions or recipes. I have the ability to move quickly and efficiently and have satisfactory communication and numeracy skills as well as excellent literacy skills.

Kind Regards, Oliver Boardman
